

Volunteer Opportunities

Methodist Specialty Care Center in Flowood is a long-term residential facility designed for younger severely disabled persons. The Center provides skilled clinical services in a warm and beautiful living environment that allows our residents to thrive.

Our residents are active, social and interested in learning new things. Every effort is made to fulfill their clinical, social and spiritual needs so they may enjoy life to the fullest extent possible. **Our volunteers play a very important role in this mission.**

Some of the ways volunteers serve our residents:

- Escort to therapies
- Help with meals
- Fellowship, read and write letters
- Deliver mail and newspapers
- Design personalized birthday and holiday cards
- Celebrate birthdays
- Patio gardening
- Perform clerical tasks for staff
- Assist with and develop activities
- Help host social happenings on and off-campus
- Decorate for special events and holidays
- Assist nursing staff answering phones and call lights
- Befriend and love the residents through your presence and acts of kindness
